## Whose interests WILL Tyksinski represent?

"I will not accept donations from developers!"

Please VOTE - Don Backman for Town Supervisor!

# Is the Town of New Hartford

**👉 Mr. T: You accepted thousands in campaign donations from vendors & out-of-town developers.**  
*(source: NYS Board of Elections)*

Who will you represent? New Hartford taxpayers...or the vendors & developers who donated to your war chest?

**👉 Mr. T: Under YOUR leadership, the town is now burdened with an additional \$3 MILLION of bond debt...TWICE the amount of your alleged “surplus”!!!**

How much more are you going to borrow so you can continue to claim that we have a surplus, Mr. T.?

**👉 Mr. T: Why is the Town Sewer Fund still owed over \$1 MILLION and why do some sewer users pay annual maintenance fees and others do not?**

**👉 Mr. T: How can you claim that YOU reduced taxes? YOU voted AGAINST every town budget!!**

**👉 Mr. T: Why did YOU discontinue our Stormwater Committee when many serious problems remain?**

***“Our relationship with developers should be cordial, not cozy!”  
“I WILL NOT accept donations from developers!”***

**Please Vote Don Backman  
for Town Supervisor**

# New Hartford Taxpayers

Did you know that...

**...YOUR tax dollars will be used to pay back the \$600,000 that was borrowed to build the right in, right out and the Clinton St. Ext. into the business park!**

**...Tyksinski's failure to negotiate a PILOT Allocation Agreement with the developer BEFORE the debt was incurred now means that the bond payments will fall on the backs of ALL New Hartford taxpayers until 2022!**

**...Currently NO town or county property taxes are being collected from the owners of the Hampton Inn!**

**Don Backman believes...**

**"Our relationship with developers should be cordial...not cozy!"**

**Please vote for me as YOUR next town supervisor!**
