Cathy,

Town attorney advises that after speaking with you this morning the material sought by you is available and accessible on the Towns web site, accordingly, we do not have to provide a disk.

Receipt is hereby acknowledged of your FOIL request outlined below.

By copy of this email to the Town Assessor, I am requesting that he provide me with a CD of the 2011 Tentative Assessment Roll not later than Friday, May 13, 2011. Paul, please let me know the cost of the CD so that I may pass this information on to Ms. Lawrence.

Gail,

I would like to FOIL a copy on CD of the 2011 Tentative Assessment Roll. This would be a copy of the assessment database that is produced using the FOIL database utility of the RPS program currently being used in the Assessor's Office to maintain the assessment data.

Thank you.
