

ELECT ED FLEMMMA
NH BOARD OF EDUCATION

The NH Central School District is recognized as one of the premier districts in NY State. I credit much of my success in international business to my education at New Hartford.

I am a candidate for YOUR Board of Education because I am prepared to give my time and share my experiences to maintain and enhance the quality of education our community expects.

The challenges facing education today – decreased funding and enhanced curriculum of the Common Core Mandate – need leadership that is accountable, responsible, responsive, and most of all dedicated. I will give 100% in all these areas.

Please contact me with your questions, concerns, ideas, or just to chat. I respectfully ask for your vote on May 21st.
