RE 858 158 260 US

Dear President Trump,

Known all men by these presents.

Congratulations on your recent win of the 2016 election. I envy not the enormous undertaking before you, or the task to make America Great again and enrich the lives of the American people. There are some that would subvert your presidency, yet others like us, who wish only for you to succeed and peacefully restore the republic to what it was meant to be, when the founding fathers issued a Bill in Equity to King George the III.

The Secretary and the Administrator each may reject a gift when the rejection is in the interest of the Government. I trust the gift will be use for the benefit of the people. Please find enclosed sufficient monies to offset the Federal Public Debt (https://treasurydirect.gov/NP_WS/debt/feeds/recent). The gift was delivered in honor to Bureau of the Fiscal Service at Parkersburg WV @ 3:40 pm on March 21st, 2017 to Jaime Saling. The instrument is directed to the attention of Commissioner Sheryl Morrow. You now have the opportunity of solvency and to issue interest free USN as did President Lincoln in 1862.

Trusting all is satisfactory,

GENERAL ZELENY, Trustee

June 29, 2017

Major General GLASER D PMG (ARMY):

This is a follow-up to my meeting on June 15th with Colonel Dadrach, EXECUTIVE OFFICER PMG. I sincerely thank Deborah Van Heest and the XO for their time and attentiveness to meet with me on such short notice during your absence.

During my briefing of these protected documents for **YOUR EYES ONLY**, the XO assessed the documents herein were not in your Office's jurisdiction -- nor that of the Pentagon's -- and redirected me to contact U.S. Attorney Jefferson Sessions. Indeed, I have contacted AG Session's office with these **ENCLOSED PROTECTED DOCUMENTS**.

Following are references for the ledgering, notice and investigation of the disposition of the IBOE (copy enclosed), specifically earmarked as the National Debt paid in full, along with discretionary funds to be utilized for infrastructural projects at the President's direction, as well as, references outlining that your Office, the U.S. Department of the Treasury, the Office of the President, PMG ARMY and U.S. Department of Justice are indeed in proper jurisdiction for enclosed protected documents:

- General Orders 100: http://avalon.law.yale.edu/19th_century/lieber.asp#sec1
Please note that these Orders are still in effect to date as we are without notice that Order has been rescinded.
- Operation Silent Defender
- Securities Exchange Act
- 31 USC § 3101 Public Debt Limit
- 31 USC § 3113 Accepting Gifts: The Secretary and Administrator did not reject the gift, hence, its acceptance is valid and the public debt paid as per operation of law.
- 66668888WUYIYUEN/ABRAHAM LINCOLN
- **Trustee Indenture: codes verifiable via S2S Pentagon terminal.**

In our view this is a National Security issue requiring PMG oversight of the other departments, in order to prevent further financial asymmetric warfare from continuing.

I am available to return to your Office to further debrief and field any questions. Please advise soonest.

Respectfully,

RICHARDS J
