Columbus Day
Observance

the man who discovered America.

Zoning Plan Strongly Opposed

The opposition to the proposed zoning plan of New Hartford has been vocal. At a
meeting of the property owners, the plan was unanimously opposed. Another meeting
will be called by the town board to consider the matter further.

Tony Rizzo, chairman of the zoning board, has been accused of favoring
the plan. He said that he would take the matter to court. The plan has been
protested by several residents, who claim that it will result in higher property
taxes.
