I think 1,000,000 is too much too but we are going through the exercise. I spoke with Bob Nole today. Cooperation not a problem. If you need anything, Bob said to call him directly. 624-1218

Please look again at the attached article for the Town Crier/OD and the info for our Trustee link on the NHPL website. I have added a "caveat". While this may be perfectly obvious to us, interested candidates from outside of the current Board might not realize that they could be successful in their race but will not take office if the proposition to re-charter fails.

I was surprised by the Letter to the Editor in today's OD from the Board of Trustees at the Dunham Library in support of their budget vote. I thought we were prohibited from asking people to vote "Yes".

And, after relecting on Tim's million dollar budget, I cannot help but feel that many in the community would be outraged at that figure. I know he feels that if we justify that amount, they will be happy to vote for it. Maybe I will feel different when I see what a million dollars will offer to the community but at this point, I feel it is excessive.
